The parties have had a meet and confer in accordance with the Court's instructions at the 7/18/22 conference. Search terms are still under discussion. There is a debate as to custodians for both DEA and TSA, which was explained to the Court. This remains under discussion.

The parties have agreed to appoint a special master for discovery and are checking with retired Magistrate Judge John Facciola to see if he is available. The Court knows Judge Facciola well and thinks he would be an excellent choice.

There are 2 follow up 30(b)(6) depositions that are in process of being scheduled, one being the representative as to the bounding box issues.

A telephone conference is set for 9/13/22 at 2 PM.
